

## COMMERCIAL FUEL SURCHARGE

The level of Towne Air Freight's LTL fuel surcharge is based upon the U.S. National Diesel Fuel Index. This index is adjusted each week by the Energy Information Administration (E.I.A.) of the U.S. Department of Energy and is available by telephone at 202-586-6966 and on their internet site. The surcharge for Towne Air Freight shipments will be subject to a weekly adjustment based on the U.S. Department of Energy average prices for a gallon of diesel fuel. The fuel surcharge will be posted weekly on Wednesdays based on the national average diesel fuel price from the previous Monday. Visit [www.towneair.com](http://www.towneair.com) for current LTL fuel surcharge.
